

People, Prejudice and Planning

- Community development, promoting equality and reducing prejudice

Sharing the story

- **Share learning from practice**
- **Contribute to developing a more supportive planning environment for prejudice reduction - in communities of place and interest.**
- **Inform the final drafting of a joint WWS/SCDC publication on the issues.**
- **Feed insights into other relevant structures and debates eg CPP officers network and Ministerial Advisory Group on Tackling Sectarianism**

Conversation Carousel

Discussion

- **10 min conversations**
- **Discussion of the key topics**
- **Summarise the three key points from each discussion (new points, endorsements or development of existing points)**
- **Individual thoughts and ideas on post it notes if you wish to add these**
